Partner must have a valid Telesystem Agent Agreement and can only qualify for one level. SPIFFs exclude access-only deals. Bonuses do not stack. SPIFFs up to \$5000 to be paid the month following order acceptance by Telesystem; Telesystem reserves the right to pay SPIFFs greater than \$5000 upon successful billing activation of the end user. Telesystem reserves the right to exclude agents from SPIFFs if Telesystem determines in its sole discretion that agent or sub agent has acted in a fraudulent manner. Telesystem is not obligated to provide prior notice if SPIFF promotion ends early. SPIFF payments that exceed \$30,000 on a single opportunity, or that are based on services sold below standard pricing are subject to review by Telesystem executive management and may be altered at the sole discretion of Telesystem. Additional terms and conditions may apply as determined at the sole discretion of Telesystem.
